

# QOL+ Report 3/5/10

J. Sowinski

RHIC/AGS Users Executive Committee

# QOL

- Housing news
  - Cottages not to be used this summer
  - Suggest invite Lanny Bates for next meeting
- Carla has a draft of a survey
  - Changes based on above?
- Training expiration messages
  - <http://training.bnl.gov/demo/courses/index.html>
  - This is a general message and some experiment specific training is not there
  - For users a better site is <http://www.bnl.gov/userscenter/Training/>

# QOL II

- Today's visitor - Mike Pena emergency planning
  - First contact: Monday memo last summer on planning for severe summer weather
  - How to fit users into plans
  - Winter weather emergencies have served to highlight need
