

Appointment of Outgoing Chair

- Since Jim is leaving for DoE we need a replacement outgoing chair to be proactive on QoL
- I suggest that I appoint Carl Gagliardi as replacement chair from August 2010. He has agreed to take on this responsibility if we all agree.
- Carl is an active member of the UEC so I think this appointment is appropriate. Jim is also in agreement.
- From when Jim leaves until August I will take on the Chair's duties (i.e. step up to Chair early)
