

MCO Update

UEC Meeting, 2/11/2011

Peter Steinberg

Brookhaven National Laboratory
Upton, NY

2011 RHIC/AGS Users' Meeting

- **June 20-24**
- **Lijuan found two organizers for HI workshop days**
 - Elena Bruna & Cesar Luis da Silva
 - I need to get them moving on this ASAP (unless they've already started!)
- **Meeting is officially combined with RHIC/eRHIC LRP discussion**
 - In consultation with Steve Vigdor
 - Friday will be a panel discussion in the morning
 - Meeting will end by lunchtime
- **At 3pm, Berkner will be given up for a BSA distinguished lecture**
 - Meeting was going to end anyway
- **Will try and firm up agenda in next 1-2 weeks**
