Diversity WG 1/10/20 Update - Justin

- We did have a follow-up mtg to our late Nov. mtg this past Tues 1/7/20
- Next meeting soon again: Thurs Jan 30th 3:30pm
- Made some concrete plans for near term publishing on our website (rhicdiversity.blogspot.com) of the conference diversity statistics analysis by Christine Nattrass and many current UEC members.
 - many details hashed out, first draft of web pages soon
- Also discussed proposed further actions to provoke changes in conference speaker selection across entire field
 - Numbers publish is first step, then find venues to push this agenda
 - we are considering providing ingredients: e.g. requestable lists of available speakers in the field
- Emailed Shirley Kendall to receive APS CoM site visit report/ BNL Diversity Plan, weeks ago, no response yet, need to followup
