- AUM2022 poster session (June 9) - online or hybrid?
- AUM2022 plenary - hybrid. Is there still the 50 person cap on in-person attendance? If so, we need to come up with some functional list for prioritization.
 - Plenary Welcome, NSF, DOE, CAD, STAR, STAR Highlights, PHENIX, sPHENIX, EIC Project Status, EIC Accelerator, EIC Physics and Experiment, 2nd EIC experiment talk?, BES?, CME?, anything else?, Merit/Thesis Awards, BNL facility and ops, Diversity and Inclusion, UEC Business meeting, Poster flash talk.
- Thesis award deadline: Friday April 1 → Need volunteers! Never too early to volunteer!
- Need people to run for the UEC.

- Current status of site access
 - While we are in LOW and MEDIUM, and masks are not required, we can share apartments, if we go back to HIGH they'll have to separate.
 - Food deliveries cannot go past the gate → major problem for shifts! **is there a update?**
